In order to take students on field trips, the School must have a permission form on file. This form, once executed by parents remains valid as long as the child is a student at MIDS. Please complete the information requested below and return this form to the School. (*A separate form is needed for each child*)

I give permission for my child to take part in all school activities, including sports and trips away from the school premises. I understand that the School takes every precaution to ensure the safety of all children during field trips, and that my child is expected to abide by School rules and regulations at all times. I understand, however, that accidents do occur, and agree that I will not hold the Maryland International Day School, its personnel, or the chaperones responsible for any accidental harm that might befall my child during the course of school trips. This permission would remain effective as long as my child is registered as a student of the Maryland International Day School.
